3) Directors' Reports: Bob Babick was present

\*Fri is 8<sup>th</sup> grade night; 5pm report to the SHS; extra chaperone help needed during halftime and dismissal.

\*Next week: Butler Band Fest Wed; rehearsals on M T, NOT Th. Game Friday

\*Soon: Senior Night Oct 5, GCC parade Oct 6

\*New athletic department policy on participation conflicts between spring trips (chorus, band, etc) and sports that require a tryout and have cuts.

This generated MUCH parent comment as both the band and choral programs are **curricular**, involve many more students, the trips usually involve adjudication, and the groups or portions of groups (Madrigals, Jazz Bands, Pom Pons, Color Guard, more?) are formed by auditions and cuts as well. We parents don't think that the school should enact a policy that says any extra-curricular activity/sport takes precedence over another, and certainly not over a class that students are taking. The adults need to model sharing and playing well with others.

4) **Committee Reports:**

- a. Open Committee Chairs: Pasta Dinner, Hoagie/Pepperoni Roll Sale
- b. Pie Fest Wrap Up: Amy Covell: One of the BEST ever!! \$5552 minus expenses. Wow...despite the rain and indoor performance! Lori Silverster would consider co—chairing this event next year.
