Students should go to ***www.PastriesAndMore.com*** to input their order. Go to the fundraising page, fill in SV Band Boosters where it asks for your group, and your email where that is asked for. Each student should input the total number of each item needed, NOT separate orders for each customer. You will receive an email response to let you know that your order has been placed. If you do not receive an email, the order did not go through.

Pick up will be at the Winter JAZZ Concert on Dec. 14, 2017, in the SENIOR HIGH.

All pastries freeze wonderfully, so stock up for future events and unexpected guests!
