

# Supporting your school is as simple as

**enjoy®**  
**COUPON BOOK**

Valuable coupon savings on  
◆ fine & casual dining  
◆ sports & cultural events  
◆ travel & more

**A**

ASK your parents to look at the enclosed *enjoy*® COUPON BOOK brochure. They'll find lots of "2-for-1" and "50% Off" discounts on restaurants, fast food, movies, special events, sports and services as well as on hotels, resorts and car rentals! AFTER they've checked out the great savings offers, ASK them if they'd like to help support your school by buying a book from you.

**B**

BE sure to show the brochure to relatives, friends and neighbors. BECAUSE the *enjoy*® COUPON BOOK makes a great gift, they may want to buy one for themselves and for someone else. **BE safe, never talk to strangers, only to people you and your family know!** Your parents can help you support your school by showing the brochure to people at their work, also.
